## Education

### Hunter College

New York, NY

- Bachelor of Arts in Computer Science | Minor: Mathematics | GPA: 3.82/4 August 2018 – May 2022
- Dean's List

## Relevant Coursework

- Calculus with Analytical Geometry I
- Calculus with Analytical Geometry II
- Discrete Structures
- Computer Architecture I
- Software Analysis and Design I
- Data Structures

## Technical Summary

**Software:** Microsoft Office (Word, Excel PowerPoint), Android Studio

**Languages:** C++ (1.5 years), Java (1 year), Python (<1 year)

## Projects

### FTC 'Relic Recovery' Robot Program, School Project – Completed

February 2018

- Utilized color and touch sensors to move multiple DC motors and servos in order to accomplish tasks autonomously
- Took input from two Logitech controllers to manually control multiple DC motors and servos to accomplish tasks manually

## Experience

### Midwood High School

Brooklyn, NY

Peer Tutor

September 2016 – January 2017

- Assisted students understanding materials in Physics and Spanish class
- Developed learning strategies for students and recommended them learning resources

### Midwood Robotics

Brooklyn, NY

Head Programmer

September 2017 – June 2018

- Created programs using Java in Android studio that allowed a robot to run autonomously and manually
- Managed the robot while competing in FIRST competitions as well as assisted in the building process of the robot
